\* This schedule is not intended for tax, lending, legal or other non-financial planning purposes and should not be relied upon by third parties. Realized gains/losses are calculated assuming that the oldest purchase was liquidated first (first in - first out accounting), unless you have arranged to have an alternate accounting method applied (last in - first out or versus purchase); any gain/loss information shown for fixed income unit investment trusts reflects cost information that is adjusted for return of principal; if cost information has not been adjusted for return of principal, then gain/loss information for Master Limited Partnerships does not reflect return of principal; mutual fund realized gain/loss calculations are based on Total Cost Basis; Bonds purchased at a premium are not adjusted for bond premium amortization; realized gains/losses are calculated for discount bonds by accreting the cost basis at the purchase yield to maturity. If you have not reported cost information on securities deposited into your account, the gain/loss is noted as N/A. Past performance is not a guarantee of future results. Market valuations are based on information we believe to be reliable, but no guarantees are made as to its accuracy or completeness.
